We hereby certify that we have carefully examined the accounts of the County Commissioners and Treasurer, and cash account of the Superintendent of the County Farm for the six months ending June 30, 1933; that said accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the county; and that the charges for expense of the county commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there are no bills outstanding against the county, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families, bills that have been contracted at the county farm since the last settlement, court orders and expenses, the amounts of which are unknown to them, amounts due commissioners, sheriffs, solicitor for services since June 1, 1933, and Treasurer for services and Commissioners for expenses since April 1, 1933, and notes to the amount of \$85,000.00, secured in anticipation of taxes.

To the Board of County Commissioners:
 Belknap County,
 Laconia, N. H.
 Gentlemen:

During the past year the Department of the County Solicitor has attended to the prosecution of many criminal cases both in the Superior Court and before the various Municipal Courts of the County. There has been no outstanding prosecution as the bulk of the work has been confined to burglary and theft cases. Two statutory rape cases were tried at the October 1933 Term of the Superior Court one respondent being acquitted and one convicted. In another similar case the respondent entered a plea and was sentenced to States Prison. The number of complaints for non-support is rapidly on the increase, they being the most difficult cases for the Courts to handle due to the scarcity of employment. Correspondence in relation to bad

check cases and minor complaints have been exceedingly heavy. Several prosecutions in bad check cases have been attended to. Liquor prosecutions are somewhat less at the present time. The records of both the Superior Court and the municipal Courts of the County will show the record of my Department.

I wish to compliment the Sheriff's Department for its courteous treatment and assistance during the year.

THEO STEPHEN JEWETT,

County Solicitor.

February 23, 1934

To the Honorable Commissioners of Belknap County :

Gentlemen :

In submitting my second annual report as Chaplain of the Belknap County Farm, I do so with a deep sense of appreciation for the co-operation which has been given me by you gentlemen of the board, and also by Mr. and Mrs. Hartford. I have endeavored during the past year to make the services as helpful and inspiring as possible. I have been ably assisted in the musical programs by a group of young people from my Belmont Church. Services have been held each month during the year, with an extra service held on Christmas Day, when, with a large group of my young people, I visited the County Farm, holding services in all the departments including the jail, at which time a special gift was given to each inmate of the County Farm.

It would seem to me that during the past year there has been more sickness and death among the inmates than during my first year as Chaplain. In spite of all the kindness and care which Superintendent and Mrs. Hartford bestow upon the inmates, it goes without saying that the lot of many is very sad and lonely. Some of the inmates seem to have been forgotten entirely by their friends and relatives. I am greatly distressed because of the lack of interest shown by the Churches and people of the County, in general, for our unfortunate poor.

Once again thanking you for your kindness and co-operation in my work as Chaplain for the past year, I am,

Very sincerely yours,
FREDERIC W. FITZPATRICK

Chaplain.
